

Underground Parking

There is plenty of parking underground in Windsor Woods complex.
It is open for access between 9am – 5pm

Directions: when turning off 56th Street into Windsor Woods, follow the road to the 3-way stop and turn right (or towards the back entrance to Tsawwassen town Centre Mall). Continue about 30M to the 4-way stop and turn right into the double gated door. Drive straight into the parkade. All cement parking blocks painted orange are free public parking.

You will find us outside the purple door to the Commercial Shops.
